PALOS VERDES HIGH SCHOOL originally opened in 1961 was closed by the school district in 1991 due to declining enrollment. The high school reopened in 2002 and celebrated its first graduating class in 2005.

Accredited by the Western Association of Schools and Colleges (WASC) through 2018 and named California Distinguished School in 2012-13 and named a Gold Ribbon School in 2014-15.

MISSION STATEMENT: PVHS places a very high emphasis on the academic success and emotional well-being of all students. Various programs, for all levels of student, challenge each PVHS student to reach his or her maximum potential. PVHS ensures students are well equipped with the academic skills which allow them to follow their own unique academic pursuits and extracurricular endeavors in high school and beyond.

SCHOOL DISTRICT AND COMMUNITY

The Palos Verdes Peninsula Unified School District serves the communities of Palos Verdes Estates, Rancho Palos Verdes, Palos Verdes Peninsula, Rolling Hills and Rolling Hills Estates. The area is located 21 miles southwest of metropolitan Los Angeles and draws predominantly middle to high-income business and professional residents. The school district's reputation for having a superior educational system attracts many families to this suburban community and its schools. Two early childhood centers, ten elementary schools, three intermediate schools, one continuation high school and two comprehensive high schools accommodate the district's enrollment of approximately 11,700 students. Since there are no attendance boundaries at the high school level, students can choose to attend Palos Verdes High School with a block schedule or Palos Verdes Peninsula High School with a traditional schedule.

CLASS RANK AND GRADE POINT AVERAGE

Student Class Rank is not computed per school district policy

All credit courses taken in grades 9-12, including courses taken during the summer through community college or at high schools outside of the district, are included in determining the cumulative GPA.

The GPA is averaged in three ways:

CUMULATIVE GPA for all classes (including PE/Athletics) Grades 9-12

ACADEMIC GPA (no PE/Athletics) Grades 9-12 ACADEMIC GPA (no PE/Athletics) Grades 10-12

COLLEGE ADMISSION

Palos Verdes High School Class of 2015 students were offered admission to over 300 colleges, including:

All California State Universities

All campuses of the University of California

All Ivy League colleges

For a complete list of colleges, please go to: http://pvhigh.com/C CCC/CCC college acceptances.html

Clubs, Activities, Associated Student Body/Be the Change and Honor Societies

Consisting of over 72 students, ASB Leadership class implements and oversees all student activities at Palos Verdes High School. Student activities range from pep rallies and dances, to awareness weeks and school-wide community service. The purpose of each activity is to engage students and create a welcoming, spirited, enriched and involved school community at Palos Verdes High School. In addition to campus wide events, the ASB Student Council also oversees over 72 student run organizations on our campus in the areas of academics, politics, culture, religion, athletics, special interest and philanthropy. For a complete list of clubs on campus, please visit our website at:

Advanced Projects

The Advanced Projects program takes a multi-disciplinary approach to project based learning, allowing PVHS students to complete a research project in a targeted area of interest. Student projects fall into one of five broad career strands aligned with the Common Core State Standards. The strands include: Arts, Media & Entertainment; Education, Psychology & Public Service; Engineering & Environmental Science; Health Sciences & Medical Technology; Business, Marketing & Sales. Throughout the project, students work with a mentor or industry leaders who will advise the students on the direction of their projects and research. In addition to writing a research paper and presenting their project, students are required to perform original action research or engage in an internship for a prolonged period of time. The Advanced Projects Program is designed to help students become college and career ready while demonstrating a multi- disciplinary depth of knowledge.

PROGRAMS OF EXCELLENCE

AVID (Advancement Via Individual Determination)

Approximately 300 students are participating in the four year AVID program at PVHS. AVID seeks to ensure that students in the academic middle are equipped with the skills necessary to be successful in college. This Fall, 93% of the AVID Class of 2015 is attending a four-year university.

Open Orchard Productions

Students at Palos Verdes High School have employed their creative, writing, journalistic, editing, and technological skills to develop their own radio production organization. Open Orchard Productions is an accredited elective class (Broadcast Journalism I and II). Students' podcasts have aired over 30 times on national radio stations; 4 of our students were named "Best Teen Radio Producers" of the year by PRX; OOP won a grant from Transom (Atlantic Public Radio); 2 students have made podcasts for our contact at NPR West / YouthRadio; and students have been hired 3 times to create content for local professionals. Students have toured Los Angeles production studios including Paramount, Sony, Technicolor, Disney, KCRW, KPCC, and NPR West. (www.openorchardprodutions.org)

PVIT (Palos Verdes Institute of Technology)

Palos Verdes Institute of Technology (PVIT) is featured as one of the first high school robotics programs in the nation, competing as the only high school against top universities in the 2005 DARPA "Grand Challenge". Following this success, the PVHS PVIT program has continually grown to offer engineering coursework, competitions, internships, mentoring, and research. Project Lead the Way (PLTW) offers a flexible sequence of courses which builds student's engineering and technology skills and knowledge. Through PVIT's Engineering Advanced Project class, teams have placed regionally, nationally, and internationally in engineering competitions, involving designing and building custom hardware. PVHS has linked math/science classes with PLTW courses which are recognized by UC and CSU and meet the "q" subject requirement. PVIT courses are as follows:

Introduction to Engineering	PVIT Physics	Engineering Advanced Project (starting 2015-16)	
Digital Electronics	Aerospace Engineering	Engineering Design and Development	Scientific Research 1, 2, 3 until 2015-16

PVID (Palos Verdes International Diploma)

This program is modeled after the Advanced Placement International Designation (APID) certification requirements. Students take rigorous and challenging courses with a focus on international history, politics and humanities. PVID requires that students complete AP classes in Human Geography, Comparative Government, World, European and US History as well as US Government and Economics. Additionally, students must take a humanities course at a local college or university while participating in Model United Nations (MUN).

MODEL UNITED NATIONS

Model United Nations is an international program that allows high school and college students to compete and engage in debate about global issues in mock UN committees at conferences throughout the state and country. PVHS participates in conferences at UCLA, UC Berkeley, USC, and Georgetown among others. Students enrolled in MUN earn social studies elective credit and are also able to satisfy requirements toward earning the prestigious Palos Verdes International Diploma. Last year, the MUN program received the following recognition and awards: over five total in the following areas: Awards of Excellence, Best Small Delegation Awards, Commendation Awards, Outstanding Awards, as well as 48 Individual Student Awards
